## **Statement by Rep. Spencer Black on Assembly Bill 674** *February 24, 2010*

I would like to thank Chair Berceau and the members of the Urban and Local Affairs Committee for holding a public hearing on AB 674. I am sorry that previous commitments prevent me from speaking to you today.

This bill would allow the Village of Shorewood Hills to grant three additional class B liquor licenses. Village Administrator Karl Frantz and other representatives from the Village of Shorewood Hills are here today to explain why this legislation is important to the Village. I would ask that you give full and serious consideration to their testimony today.
